

# Absence Fine Law

Active as of 24/10/2015

## **Section A:**

Any leader who will be absent for any weekly meeting or unit and/or group event must inform so, by sending an email to [Isa.rabiehgroupp@gmail.com](mailto:Isa.rabiehgroupp@gmail.com) stating the reason for absence, the leader(s) who will be assuming the absentee's responsibilities, and the program for the absentee if they are a unit leader. Group and assistant group leaders must send an email to the address stated above from their personal email and CC all unit leaders.

## **Section B:**

The time frame for sending an absence email ends three days before the day of the meeting or event, failing to abide by this time frame will incur a 5,000 L.L. fine for each day after the deadline. Violating the deadline does not absolve the absentee of finding leader(s) to assume their responsibilities and providing a program.

Informing and/or discussing an absence with unit and/or group leaders will not be considered.

If absence is due to an emergency the absentee can raise the issue during the next council meeting, if the council determines that the absence was due to a valid emergency the absentee will be absolved of their fine.

## **Section C:**

Example demonstration of the law:

The following example will demonstrate the time frame for an absence for a weekly meeting which is held on Saturday 24/10/2015 starting at 3:00 P.M.

The absentee leader has till Tuesday 20/10/2015 11:59 P.M. (UTC+02:00) Beirut to send an email, with the stated specifications in Section A; doing so will not incur a fine.

If the email is sent on Wednesday 21/10/2015 before 11:59 P.M. (UTC+02:00) Beirut then a 5,000 L.L. fine will be incurred on the absentee.

If the email is sent on Thursday 22/10/2015 before 11:59 P.M. (UTC+02:00) Beirut then a 10,000 L.L. fine will be incurred on the absentee.

If the email is sent on Friday 23/10/2015 before 11:59 P.M. (UTC+02:00) Beirut then a 15,000 L.L. fine will be incurred on the absentee.

If the email is sent on Saturday 24/10/2015 before 11:59 A.M. (UTC+02:00) Beirut then a 20,000 L.L. fine will be incurred on the absentee.

Sending an email after 24/10/2015 11:59 A.M. (UTC+02:00) Beirut will raise serious questions regarding the absentee's leadership ability, and consequences of this behavior will be decided in the next council meeting.
